

Dr. KASHIF ALI

Ph.D. Mathematics

Associate Professor (TTS)

MNS University of Engineering and Technology, Multan, Pakistan.

PROFILE

A dynamic, innovative, performance-driven, and highly motivated research oriented individual with more than 10 years of experience in mathematical modeling and numerical solution of nonlinear problems, while possessing extensive research supervision experience at M.Phil. and Ph.D. levels.

EDUCATIONAL BACKGROUND

Ph.D. MATHEMATICS

Bahauddin Zakariya University, Multan, Pakistan
2012-2016

M.Phil MATHEMATICS

Bahauddin Zakariya University, Multan, Pakistan
2008-2010

M.Sc. MATHEMATICS

Bahauddin Zakariya University, Multan, Pakistan
2001-2003

ADMINISTRATIVE EXPERIENCE

- Incharge, Department of Mathematics (June 2019-Todate)
- Incharge, Department of Computer Science (June 2018-February 2023)

SOFT SKILLS

Matlab

MS Office

WORK EXPERIENCE

Associate Professor (Mathematics)

- Muhammad Nawaz Sharif University of Engineering and Technology, Multan, Pakistan.
- August 2024 - Todate

Assistant Professor (Mathematics)

- Muhammad Nawaz Sharif University of Engineering and Technology, Multan, Pakistan.
- November 2016 – August 2024

Lecturer (Mathematics)

- Higher Education Department, Punjab
- August 2012-November 2016

Research Supervision and Consultancy Experience

- HEC Approved Ph.D. Supervisor
- Co-supervision of Four Ph.D. students
- Supervision of more than Fifty M.Phil. students

HONORS AND AWARDS

- More than 60 international publications
- Earned an Impact Factor of more than 150
- Awarded Pakistani Govt. Scholarship from the Higher Education Commission of Pakistan (HEC) for M.Phil and Ph.D. (Mathematics)
- Awarded Scholarship for USA from the Higher Education Commission of Pakistan (HEC) under the International Research Support Initiative Program (IRSIP)
- Earned Gold Medal for the First position in the M.Phil.
