SDG 5	Gender Equality	Encourages equal participation and opportunities for male and female students in educational, literary, and cultural activities.
SDG 16	Peace, Justice and Strong Institutions:	Promotes peace, tolerance, ethical values, mutual respect, social harmony, and peaceful coexistence through Islamic teachings.
SDG 17	Partnerships for the Goals	Encourages collaboration among university departments, faculty members, students, and educational stakeholders to promote quality education and shared learning opportunities.
Primary SDG: SDG 4 Quality Education.		

5. Outcomes

- Improved Quranic literacy
- Enhanced communication skills
- Moral development
- Confidence building
- Promotion of peaceful coexistence among students

6. Conclusion

The Islamic Literary & Recitation Competition, held on 2 October 2026 at MNS-UET Multan, successfully provided students with an opportunity to demonstrate their Quranic recitation, literary abilities, creativity, and communication skills. The activity promoted Islamic teachings, moral values, character building, tolerance, mutual respect, and social harmony among students. It also encouraged active student participation and confidence through healthy academic competition. Overall, the program contributed to the objectives of SDG 4 (Quality

Education) while supporting SDGs 5, 16, and 17 through inclusive participation, peacebuilding, and institutional collaboration.

Alhamdulillah! Today's program has been a meaningful effort to promote Islamic teachings, Quranic values, and students' literary and creative abilities. We sincerely thank our honourable guests, respected faculty members, and enthusiastic students for their valuable participation and support. We hope that this activity will strengthen the values of knowledge, morality, tolerance, mutual respect, and social harmony among students. May Allah Almighty accept our efforts and enable us to practice the teachings of Islam in our daily lives. Thank you all for your participation and making this event successful!
