Notification: Free Access to University Library Facilities for the Public

08 April 2025

Office of Library Services
MNS University of Engineering and Technology, Multan

No. MNS-UET/ LIB- 007
Dated: 08-04-2025

NOTIFICATION

This is to formally notify that the University Library provides free access to its educational resources and facilities to individuals who are not enrolled students of the University, including members of the general public, researchers, and other interested learners.

The following educational facilities are available free of cost:

1. **Library Access:** Free access to the University Library for reading, studying, and consultation of available educational resources.
2. **Computer Facilities:** Access to 20 computers available within the library for educational, research, and learning purposes.
3. **Digital Library Access:** Access to the HEC Digital Library through the University's internet facility, enabling users to access available electronic journals, research publications, academic databases, and other digital learning resources.
4. **Learning Resources:** Access to available library resources, reference materials, and digital educational content for academic and self-learning activities.

Library Operating Hours:

- **Working Days:** Monday to Friday
- **Opening Time:** 08:00 AM
- **Closing Time:** 08:00 PM

These facilities aim to promote inclusive education, knowledge sharing, digital literacy, and lifelong learning by providing educational opportunities beyond the University's enrolled student population.

Members of the public may avail themselves of these facilities free of cost during the above-mentioned operating hours, subject to library rules and regulations.

This notification is issued as official confirmation of the University's commitment to providing accessible educational resources to the wider community.

AI Literacy and Digital Skills Awareness Outreach Programme for Local School Students and Community

09 September 2025

Programme poster.

Date: September 09, 2025

Resource Person: Dr. Muhammad Mehran Bashir, Assistant Professor, Department of Electrical Engineering

Target Participants: Local school students and the community

Theme: Empowering Youth with AI Skills for a Digital Tomorrow

About the Programme

An outreach programme that brings artificial intelligence (AI) literacy and digital skills awareness to local school students and community members beyond the university's enrolled students, helping to narrow the digital divide.

SDG Alignment

SDG 10 (Reduced Inequalities), together with SDG 4 (Quality Education) and SDG 9 (Industry, Innovation and Infrastructure) as shown on the poster.

Accessibility Infrastructure: Sloped Pathways for Persons with Disabilities

Main Campus, MNS-UET, Multan

Campus photograph.

Campus photograph.

Location: Main Campus, MNS-UET, Multan

Facility: Sloped pathways and areas for persons with physical disabilities

About the Initiative

To further enhance accessibility, the university has developed sloped pathways and areas to assist persons with physical disabilities. These initiatives reflect MNS-UET's alignment with international standards of accessibility, inclusivity, and care for all members of its community.

SDG Alignment

SDG 10 (Reduced Inequalities).
