Evidence Report: Events and Activities

Muhammad Nawaz Sharif University of Engineering & Technology, Multan

Overview of Activities

Initiatives supporting Responsible Consumption and Production (SDG 12)

MNSUET Multan implemented the following paperless initiative to promote responsible consumption and production in support of SDG 12, particularly Target 12.5 (waste reduction). Details are given on the following page.

Activity	Date	Type
Online Admission System – Paperless Initiative	2025	Paperless administration (waste reduction)

Online Admission System – Paperless Initiative

2025

Year: 2025

Implemented by: Muhammad Nawaz Sharif University of Engineering & Technology, Multan

About the Initiative

In 2025, MNSUET shifted its admission process to an online system to promote paperless administration, reduce paper consumption, minimize physical documentation, and encourage the efficient use of resources.

Aims of the Initiative

- Promote paperless administration
- Reduce paper consumption
- Minimize physical documentation
- Encourage the efficient use of resources

SDG Alignment

SDG 12 (Responsible Consumption and Production), particularly Target 12.5. The initiative supports waste reduction and sustainable administrative practices.
