Evidence Report: Events and Activities

Muhammad Nawaz Sharif University of Engineering & Technology, Multan

Overview of Activities

Events supporting Climate Action (SDG 13)

MNSUET Multan organized the following plantation, awareness and environment-day activities, together with a professional development lecture, to promote greenery, cleanliness and climate awareness among students and staff. Details and supporting pictures of each activity are given on the following pages.

Activity	Type
World Plantation Day	Plantation drive
GYM Members GO Clean Awareness Campaign	Awareness campaign
World Environment Day	Plantation and green activities
One Day CPD Lecture: Deep Eutectic Solvent Based Membranes for Gas Separation	Professional development (online lecture)

World Plantation Day

Go Green Go Clean

MNSUET Multan observed World Plantation Day under the theme "Go Green Go Clean". Faculty members and students planted saplings on the campus to promote greenery and a cleaner environment, and gathered with the event banner for group photographs.

The activity supports SDG 13 (Climate Action), along with SDG 12 (Responsible Consumption and Production), SDG 15 (Life on Land) and SDG 17 (Partnerships for the Goals).

Pictorial Coverage

Planting saplings on the campus and group photographs with the "Go Green Go Clean" banner.

GYM Members GO Clean Awareness Campaign

Awareness Campaign

An awareness campaign titled "GYM Members GO Clean" was conducted at the university. The members addressed students in classrooms and laboratories to promote cleanliness and environmental responsibility on the campus.

The campaign supports SDG 13 (Climate Action), along with SDG 11 (Sustainable Cities and Communities), SDG 12 (Responsible Consumption and Production), SDG 15 (Life on Land) and SDG 17 (Partnerships for the Goals).

Pictorial Coverage

Members addressing students during the awareness campaign.

World Environment Day

Plantation and Green Activities

MNSUET Multan celebrated World Environment Day with students and faculty taking part in plantation and greenery activities. Participants held potted plants, set up wall-mounted planters and gathered around the event banner to promote greenery on the campus.

The activity supports SDG 13 (Climate Action), along with SDG 12 (Responsible Consumption and Production), SDG 15 (Life on Land) and SDG 17 (Partnerships for the Goals).

Pictorial Coverage

Participants with potted plants and wall-mounted planters on World Environment Day.

One Day CPD Lecture: Deep Eutectic Solvent Based Membranes for Gas Separation

Online CPD Lecture, 16 October 2025

A free one-day online CPD (Continuing Professional Development) lecture on Deep Eutectic Solvent Based Membranes for Gas Separation was delivered by Dr. Usman Saeed, Assistant Professor, MNS-UET, Multan, on October 16, 2025 from 09:30 AM to 12:30 PM, carrying 0.5 CPD points. The registration deadline was 14-10-2025, and further details were available from Engr. Nashitah Alwaz (Assistant QEC, MNS-UET Multan).

The activity supports SDG 13 (Climate Action), as shown on the event poster.
