Evidence Report: Events and Activities

Muhammad Nawaz Sharif University of Engineering & Technology, Multan

Overview of Activities

Events supporting Gender Equality (SDG 5)

MNSUET Multan organized the following events, mentorship programmes and courses to encourage the participation of women in education, engineering and entrepreneurship. Details and supporting pictures of each activity are given on the following pages.

Activity	Date
Women Day Celebration	08 March 2025
Women in Engineering Career Mentorship Scheme	03 June 2025
Women Entrepreneurship and Business Mentorship Programme	10 June 2025
Professional Communication Skills Course	From 09 September 2025 (two weeks)

Women's Day Celebration

08 March 2025

MNSUET Multan organized a series of activities to observe Women Day on 8th March 2025 at the Seminar Hall. All chairpersons, in charges and coordinators of teaching departments were informed about the programme and requested to encourage their students to take part with full enthusiasm and unity.

The programme included Naat, poetry, a display of paintings, a Ludo competition, a speech competition and an essay writing competition, followed by the closing ceremony. At the end of the event, the Director of Students Affairs addressed the participants and motivated the students to stand up for their rights.

Programme Schedule

Time	Activity
11:40 AM	Naat
11:50 AM	Poetry
12:00 PM	Display of Paintings
12:20 PM	Ludo Competition
12:30 PM	Speech Competition
12:40 PM	Essay Writing
01:00 PM	End of Ceremony

Women in Engineering Career Mentorship Scheme

03 June 2025

Date: June 03, 2025

Resource Person: Dr. Rooha Masroor, Incharge Quality Enhancement Cell (QEC)

Contact: qec@mnsuet.edu.pk

About the Programme

The Women in Engineering Career Mentorship Scheme is designed to empower female engineering students through academic guidance, professional mentoring and career development opportunities.

Key Areas of Mentorship

- Engineering Education and Professional Development
- Technical Skills and Engineering Applications
- Research and Innovation
- Emerging Technologies
- Robotics and Automation
- Engineering Design and Problem-Solving
- Entrepreneurship and Career Development

Programme Objectives

- Provide academic and professional career guidance.
- Encourage female participation in engineering professions.
- Develop technical, analytical and problem-solving skills.
- Promote research, innovation and entrepreneurship.
- Build confidence and leadership among female students.

Target Audience

Female Undergraduate and Postgraduate Engineering Students.

SDG Alignment

SDG 5 (Gender Equality), SDG 4 (Quality Education) and SDG 8 (Decent Work and Economic Growth).

Women Entrepreneurship and Business Mentorship Programme

10 June 2025

Date: June 10, 2025

Resource Person: Dr. Asifa Maqbool, Additional Treasurer

About the Programme

The Women Entrepreneurship and Business Mentorship Programme is designed to empower female engineering students by providing mentorship, business skills and career guidance.

Key Areas of Focus

- Entrepreneurial Mindset and Business Planning
- Innovation and Startups
- Leadership and Management
- Networking and Mentorship
- Business Growth Strategies

Programme Objectives

- Encourage entrepreneurial mindset among female students.
- Provide mentorship and business skills.
- Promote innovation and self-employment.
- Build confidence and leadership.

Target Audience

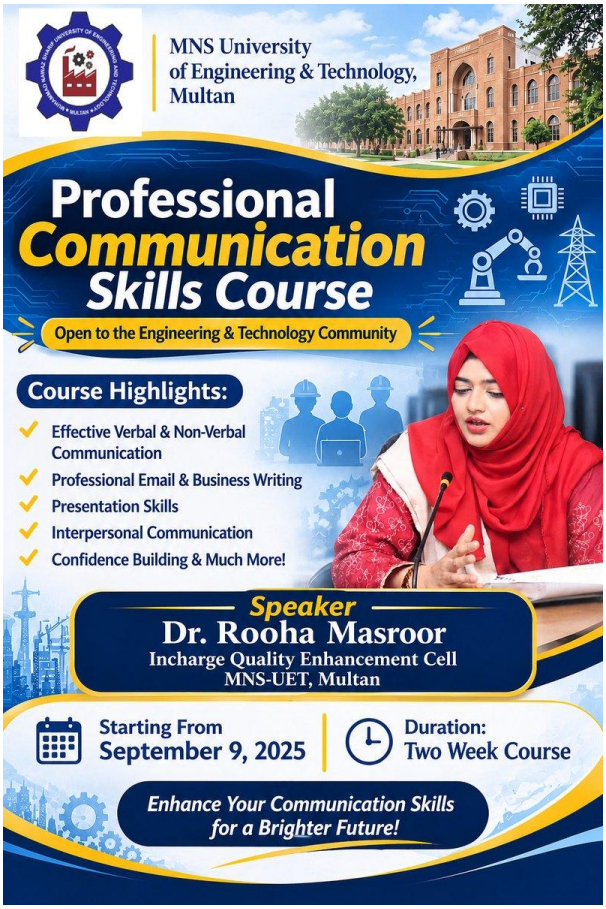

Female Undergraduate and Postgraduate Students.

SDG Alignment

SDG 5 (Gender Equality), SDG 4 (Quality Education) and SDG 8 (Decent Work and Economic Growth).

Professional Communication Skills Course

From 09 September 2025

Starting From: September 9, 2025

Duration: Two Week Course

Speaker: Dr. Rooha Masroor, Incharge Quality Enhancement Cell, MNS-UET, Multan

About the Programme

The Professional Communication Skills Course is open to the Engineering & Technology community and helps participants communicate more effectively in academic and professional settings.

Course Highlights

- Effective Verbal & Non-Verbal Communication
- Professional Email & Business Writing
- Presentation Skills
- Interpersonal Communication
- Confidence Building & Much More!
