Final Year Projects Exhibition

Friday, 27th June 2025

MNSUET Multan held its Final Year Projects Exhibition on Friday, 27th June 2025 at 10:00 am. Graduating students displayed their engineering projects, including working models, robotics and electronic projects and research posters, for the visitors.

The exhibition began with a ribbon-cutting ceremony, after which the visitors toured the stalls and interacted with the students, who explained the working and purpose of their projects.

The exhibition encourages innovation and the practical application of engineering knowledge, in line with SDG 9 (Industry, Innovation and Infrastructure). An international workshop was also held to support SDG 9; its details, along with those of a CPD workshop, are given later in this report.
